U.S. DISTRICT COURT
DISTRICT OF MASS.

**ASSENTED-TO MOTION TO
CONTINUE INITIAL STATUS CONFERENCE**

The United States, with the assent of all defendants, hereby moves to continue the initial status conference for a period of 30 to 60 days. As grounds therefore, the government states as follows:

1. The initial status conference in this case is currently scheduled for January 27, 2004. Defense counsel have consulted with one another and have informed the government that they need an additional 30 - 60 days to review the already-produced discovery in order to determine whether they need relief from the timing requirements of Local Rule 116.3, additional discovery, a motions date, and other matters normally decided at the initial status conference.

2. The government does not object to continuing the initial status conference for a period of 30 -60 days.

WHEREFORE, the government, with the assent of all defendants, respectfully requests that the initial status conference be continued for a period of 30 - 60 days.

Respectfully submitted,

MICHAEL J. SULLIVAN
UNITED STATES ATTORNEY
